### About this item

- Excellent source of protein: It is High-protein, high-fiber meat substitute made from soy beans. It has no fat or cholesterol.
- Easy to prepare: Place the soy strips in a bowl and cover with water and soak for about 15min.
- For variety of dishes : It is nice chewy texture, reminiscent of chicken. It has no flavor, so you can season it, marinate it or make it taste the way you like. It's perfect for making...
